

GOVERNOR ARNOLD SCHWARZENEGGER

October 19, 2009

Bay Area Water Emergency Transportation Authority

It is a pleasure to extend my warmest greetings to all those gathered for the South San Francisco Ferry Terminal groundbreaking ceremony.

I applaud everyone who had a hand in making this wonderful day a reality. Not only will your efforts lead to an improved ability to respond to transportation emergencies, but you are also creating jobs and greener ways for more Californians to commute.

It is exciting to know that the completed terminal will be serviced by some of the world's most environmentally friendly ferries. This dedication to providing cleaner modes of transportation is commendable and will only strengthen our state's leadership in protecting our natural resources.

To all in attendance, you deserve a big hand for your actions, and I thank you for your commitment to the safety, sustainability and economic prosperity of our Golden State.

Please accept my best wishes for a fantastic day and success in this endeavor.

Sincerely,

A handwritten signature in black ink, appearing to read "Arnold Schwarzenegger".
